

Very Strict Deadline — ONE MONTH after date of wedding! (for photograph to be published)

THE GREENEVILLE SUN

Wedding Form

The Greeneville Sun is eager to publish wedding news of interest to our readers, and we prefer to use a good photo with wedding write-ups. To make sure that wedding news is fresh and current when it is published, *The Sun* goes by the following deadline on which we ask the assistance of couples and their families.

In order for a full wedding write-up with photo to be published, the information and photo on the weddings must be received at the paper no later than ONE MONTH from the wedding date. For the sake of fairness to all couples, we make NO EXCEPTIONS to these deadlines.

(Note: If the exact deadline would fall on a day when *The Sun* is closed, you will have until 5 p.m. on the next work day. For example, if the exact deadline would fall on a Saturday, you would have until 5 p.m. on the following Monday.)

It is the responsibility of the bride, or her proxy, to contact the newspaper **PRIOR TO THE DEADLINE** in the event it appears the deadline might be missed. This way, we at the *The Sun* may be able to assist in solving the problem so that the photograph is able to be run. If a wedding story is submitted after the one month deadline, we will be happy to publish a brief story on a wedding of local interest, but without photo or descriptive details.

We go by these deadlines. Please work with us. Please fill out form carefully and get all information on the form.

Concerning photos: If possible, please submit a 5x7, 3x4 or similar size photograph (color is okay) of the bride or couple. We prefer a bust-length or waist-length picture since the bride or couple show up clearly. Unfortunately, because of technical limitations involved in newspaper reproductions, details of a wedding dress rarely show to full advantage in newspaper photos.
